OUR SERVICES

Hospice Care

We provide our residents with the best possible quality of life through managing symptoms, offering pain relief and reducing stress levels. We guarantee all the expert, compassionate care for your loved one.

Medical Management

We are able to supervise every aspect of our resident's medication administration and management, ensuring that they take the medications they are supposed to, at the frequency specified by the healthcare specialist.

Supported Living

Our amazing carers work tirelessly to make sure our residents live the life they deserve. Our person-centred care services will ensure that residents are always fully supported, with a personalised support plan that include every aspect of their daily routines

Dementia Care

We provide dedicated dementia care to people in our comfortable living environment. Our carers follow a routine that your loved one is used to and comfortable with, maintaining their independence as much as possible.

Palliative Care

With one-to-one support from our compassionate carers experienced in palliative care, residents have specialist support and symptom relief from serious illness, whenever it is needed.

Personal Care

Personal care may include: bathing and showering, including bed-baths, and applying lotions and creams as required. It provides residents with the opportunity to receive discreet and sensitive one-to-one support from a fully-trained care giver.

AUBURN COURT APARTMENTS

CARE SOLUTIONS AFH is a beautiful home located in the Auburn area, with easy access to HWY 167, 18, and I-5. The property is owned and managed by a registered nurse who lives on-site, ensuring hands-on care and supervision. This facility operates as a 24/7 Adult Family Home (AFH), licensed to care for up to 10 residents, specializing in dementia, mental health, and developmental disabilities. We are committed to treating every resident with dignity and respect, as well as supporting their family members. Our providers and caregivers take pride in delivering high-quality, compassionate care. At Family Choice Adult Homes, we offer residential and supported living services for senior adults. Our person-centered approach ensures that each resident receives individualized support, tailored to their specific needs and communication style. We are dedicated to providing the perfect balance of independence and assistance, ensuring the well-being of our residents. Our live-in caregivers offer personalized care, daily assistance, and companionship to enhance the quality of life for our elderly clients. .
